DEPUTY A/C PATENTS

Dear Sir:

The references listed in the attached PTO Form 1449 may be material to examination of the above-identified patent application. Applicants submit the list of these references in compliance with their duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. The Examiner is requested to make these references of official record in this application. The above-identified application is a continuation of prior application U.S. Patent Application No. 08/996,379, which relied on a prior provisional application No. 60/052,394 dated July 11, 1997 for an earlier filing date (now U.S. Patent No.: 5,895,41, issued April 20, 1999.). This prior application is being relied upon for an earlier filing date under 35 U.S.C. § 120. Because the listed references were

either cited by the PTO, or submitted to the PTO in the prior application, under 37 CFR § 1.98(d). Applicants submit that copies need not be provided.

This Information Disclosure Statement is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.

This Information Disclosure Statement is believed to be filed before the mailing date of a first Office Action on the merits. Accordingly, it is believed that no fees are due in connection with the filing of this Information Disclosure Statement. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-0388 (Order No. UP-1007C1).

DECLARATION OF JOINT INVENTORS

Attorney Docket: 1007 CT

As a below named inventor, I hereby declare that:

My post office address, residence address and country of citizenship as stated below next to my name are true and correct;

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "Providing a Directory of Frequently Used Hyperlinks on a Remote Server," described in the patent application filed herewith, which claims the benefit of priority under 35 U.S.C. § 119(e) of U.S. provisional patent application Serial No. 60/052,394 filed July 11, 1997;

I have reviewed and understand the contents of the above identified application, including the description, claims and drawings, and including any amendments specifically referred to herein; and

I acknowledge the duty under Title 37, Code of Federal Regulations § 1.56 to disclose all information, including information which occurred between the filing of the prior U.S. patent application and the national filing date of this continuing application, known to be material to the examination of the patent application mentioned above.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

ASSIGNMENT

Bruce V. Schwartz, a resident of the City of San Mateo, County of San Mateo, State of California, herein referred to as ASSIGNOR, is a joint inventor of a new invention entitled "Providing a Directory of Frequently Used Hyperlinks on a Remote Server" by Peter F. King and Bruce V. Schwartz, for which he has executed a patent application on 12/19/97.

UNWIRED PLANET, INC., a corporation of the State of Delaware, having a place of business at 390 Bridge Parkway, Redwood Shores, State of California, hereinafter referred to as ASSIGNEE, is desirous of acquiring the entire right, title and interest in and to said application and said invention, in and to any and all improvements relating to said invention, and in and to Patent thereon, when granted in the United States and all foreign countries.

In consideration of the employment of ASSIGNOR by ASSIGNEE and for other good and valuable consideration:

1. ASSIGNOR sells, assigns, transfers and conveys unto ASSIGNEE, the entire right, title and interest:
 - (a) in and to said invention, improvements, application, and each and every additional application filed anywhere in the world, whether or not the country of filing is a member of the International Union for the Protection of Industrial Property (The Paris Convention), which additional application is a division, substitution, continuation or continuation-in-part of or is based on said application or which additional application relates to said invention and improvements;
 - (b) all priority rights associated with the filing of each and every such application, for each country of The Paris Convention, and
 - (c) in and to each and every Patent on said invention and improvements that may be granted by any country, including each and every Patent that may be granted on any of the applications referred to in sub-section (a), and in and to each and every reissue, re-examination or extension of each and every such Patent.
2. ASSIGNOR warrants, covenants and represents the fact that he has not heretofore granted any license, right or privilege in respect to said invention or said application or in any other way encumbered the same, and that he has the full right to sell, assign, transfer and convey, free of all licenses and encumbrances, the entire interest hereby assigned.
3. ASSIGNOR covenants that at the request and expense of ASSIGNEE he will promptly execute all papers necessary or desirable to perfect ownership of said invention, applications and said Patent to ASSIGNEE, and execute all oaths, declarations and other papers necessary or desirable for prosecuting said applications and Patent, for use in interference proceedings involving said invention, applications and Patent, for use in opposition proceedings involving said invention, applications and Patent, for refiling said

applications, for filing of divisional, substitution, continuation or continuation-in-part applications deemed necessary or desirable by ASSIGNEE. for reissuance or re-examination of said Patent, or for the filing in foreign countries of applications for Patent counterpart to or based on said application or to an application which is a division, substitution, continuation or continuation-in-part of said application or which application relates to said invention and improvements. ASSIGNOR further covenants and agrees that at the expense and request of ASSIGNEE, he will promptly assist ASSIGNEE in interference and opposition proceedings involving said invention, applications and Patent, and in litigation involving said invention, applications and Patent, and will assist in the ascertainment of facts and the production of evidence relating to said invention, applications and Patent.

4. The terms, covenants and provisions of this assignment shall inure to the benefit of ASSIGNEE, its successors, assigns and other legal representatives, and shall be binding upon ASSIGNOR, his heirs, legal representatives and assigns.
